No. 16-cv-6525

Dear Judge Castel,

Plaintiffs respectfully request that Doc. 292-046 which is an inadvertently publicly filed document that Cornell designated as "Confidential" under the Protective Order (Doc. 131) and filed by Plaintiffs as part of the Declaration of Joel D. Rohlf (Doc. 292) in opposition to Defendants' Motions for Summary Judgment (Docs. 221, 231) be provisionally sealed from public view for 14 days. Non-party Cammack Retirement Group, Inc. ("Cammack") has apprised the parties that Doc. 292-046 contains information that it considers confidential and requested that the entire document be placed under seal.

Plaintiffs take no position on the confidentiality of the underlying information in Doc. 292-046 or any third-parties' standing to seek confidential status for the document. This Court deferred all motions to seal pending the disposition of the accompanying motions for summary judgment. (Doc. 285).
